

## **‘Dots, Lines & Squiggles’**

### **Learn to Read Music 101**

‘Dots, Lines & Squiggles’ is a unique teacher-led method of learning to read music from scratch, based on simple singing patterns. Starting with a simple scale, this 6 week course gradually introduces more complex aural exercises. Using the opening of well-known pieces of music introduces the student to music intervals which form the basis of music reading. Reading music isn’t easy! But with practice and perseverance, being able to read &/or sing music will be ‘dots, lines and squiggles’ no more!

COST PER CLASS (6 x 1hr classes): \$250.00 via Paypal
